

## Distance in Km

MANTbox 19s

## Distance in Km

- Distance at max supported 802.11ac data rate (eg. 866Mbit)
- Distance at max supported 802.11n data rate (eg. 300Mbit)
- Max range at -70 signal

Note: line of sight, interference, alignment, weather and other outside factors will affect the wireless link performance and possible distance
